

ENQUIRY FORM

This is not a formal application for grant assistance

The purpose of this form is to establish whether your property and any parts of your repair or restoration project may be eligible for grant assistance. **Please note that grants are not awarded retrospectively.**

For your property to be considered eligible for assistance it **must** be within one of Glasgow’s twenty-two conservation areas **or** be a Category A or B-listed building requiring comprehensive repairs. Additionally, the proposed works must be of a type supported by the Trust. Please note that because of the great demand on the Trust’s finite resources, a points system is used to assess and prioritise all applications.

For further information, please visit the Trust’s website (www.glasgowheritage.org.uk) or contact us on 0141 552 1331. **To confirm your property’s listing or conservation area status, please see Glasgow City Council’s website (www.glasgow.gov.uk/en/OnlineServices) and click on “Property Details.”**
